

A MESSAGE FROM THE PRINCIPAL

Dear Parents and Student Athletes,

The basketball season is upon us and you have been chosen to represent the Quebec High School Blazers. QHS has a solid reputation of competitive teams, respectful coaches and athletes. We know that is a major commitment to play basketball and it is a long season. It's not just about playing time or wins and losses. Yes, we start every season wanting to take home the banner and every game wanting the win, but we also believe in the importance of sportsmanship, encouraging your teammates, practicing hard and challenging your teammates to improve. We ask that you commit to practices twice a week and to attend every game. It is vital to remember that you represent our school and all the student athletes that came before you and those that will follow.

To the parents, thank you for supporting your kids, our teams and our school community. We know that you have busy schedules, however it is your responsibility to make the necessary arrangements to have your child transported to and from games. It is not realistic to have coaches organize rides for our players.

Finally, to coaches, players and parents, we expect everyone to work their hardest, commit to the team, and always be respectful of your teammates, the opposition and the referees.

Good luck and hope to see you at the games.

Yours,

Mr. Thomson

Principal, Coach and biggest fan.

A MESSAGE FROM THE ATHLETIC DIRECTOR

It's my 29th year at "The High School" and sure enough, the first frosts and snowflakes are here, signalling, at least for me, the start to another Quebec High basketball season. With that, comes the pleasant prospect of a "full house" at the High School Gym, more affectionately known as "The Pit". What can we say about "The Pit"?

On Friday nights, with a double or triple-header on the schedule, the stage and balcony are teeming with players, ex-players, ex students, parents, grandparents and student supporters with faces painted blue and gold and with horns in hand. On the stage, the smell of poutine, fries, chicken strips, and Subway sandwiches abound.

The atmosphere is simply electric! The cheering can even be heard by passersby as they walk along Pere Marquette! In fact, one of the leading referees in the province gave us a huge compliment last season, when he said, "I love coming to ref here, there's no other atmosphere like it!" That is why I asked Mr. Buyck to take a photo of "The Pit" to use as the cover of this season's schedule.

There's a heck of a lot of history and tradition here! Look at it's walls.....look at all the banners won and it will tell you we've more than held our own over the years. There are Tournament, League and Regional banners as well as a Provincial banner that we won nearly 10 years ago. We win a heck of a lot more games here than we lose! In fact, our provincial winning team never lost at "The Pit" in their 5 years together.

Having coached in many gyms all over the province, I can honestly say that "The Pit", though one of the smallest floors around, certainly has the "truest" floor. There are no dead spots! Visiting teams don't like it here. Their players continually step out of bounds on the sideline while being pressured and bullied by our "Blue Press". There's no where to go! They know it, and you can certainly hear them complain about it!

Over the years I'd like a dollar for every time I heard, "Ahh! Cette gymnase!" from an opposing coach, player or parent as they walk out of "The Pit" in disgust. So, the Quebec High basketball season is not just an opportunity for players to play and represent the school, it's an opportunity for students to come out and support the teams, to help minor officiate and get involved. Most importantly, it's an opportunity for us to show other schools, what our school is all about.

I ask you to show our competitive spirit, but at the same time show some class. Respect the game, the players, the coaches, the parents and of course the referees. Humility and sportsmanship are **very important** qualities we embrace!

I hope to see you at "The Pit" this season.

Danny Weston
Athletic Director
