Dear Students and Parents/Guardians,

Summer is drawing to an end and school will officially start on **Thursday, August 29, 2019**. We hope you are enjoying your summer vacation and that you are looking forward to returning to school. There have been a few personnel changes over the summer but the majority of staff members are returning and are already working hard to get everything ready for your arrival. We would like to take this opportunity to welcome you back to QHS and we are looking forward to working with you.

On the first day of school, we will be expecting all students for **8:30 am**. The class lists will be posted in the main hall. Students are to report to their Advisory class as usual at 8:45 am. During Advisory, students will receive :

- their agenda,
- a locker assignment (**a lock will be provided**),
- their schedule,
- a health form and computer & internet consent forms, which should be returned completed as soon as possible.

The students will receive their textbooks during the first week of school and the invoice for the school items will be emailed to you after all the option courses have been finalized.

Teachers will be letting students know exactly what material they will need for specific courses, but the usual 3 ring binders, loose-leaf paper, pens and pencils are a must. We've attached a basic supplies list as a guide. Also, please note that those who have asked to be part of a Concentration Program are registered. Parents will receive the invoice in the Fall. The cost will be confirmed by the Governing Board by the end of September.

On behalf of the Staff at QHS, welcome back and we are looking forward to another great year!

Warren Thomson
Principal
